

Scripps Cancer Care Symposium:

A Nursing & Advanced Practice Provider Collaboration

PRESENTED BY SCRIPPS CANCER CENTER

October 10–11, 2025

Hyatt Regency Mission Bay · San Diego, California

Course Introduction

Conference Overview

Scripps Cancer Center's Annual Cancer Care Symposium is tailored for nurses, nurse practitioners, physician assistants, clinical nurse specialists, and other healthcare professionals who care for cancer patients. Over the course of this two-day conference, attendees will learn from expert faculty representing various practice settings across the continuum of care, as they discuss the latest clinical developments and treatment advancements in hematology and oncology. Participants will leave equipped with practical strategies and tools to enhance the quality of life and outcomes for cancer patients. Additionally, the symposium will address the importance of self-care and professional resilience.

Educational Objectives

After attending this live activity, participants should be able to:

- Analyze current issues and emerging trends in cancer care.
- Explore new therapeutic options for treating various common malignancies.
- Outline evidence-based standards of care, including innovations in diagnosis and treatment.
- Determine methods to implement evidence-based cancer care into practice.
- Adopt self-care practices to enhance professional resilience.

Target Audience

- Oncology Nurses
- Nurse Practitioners and Physician Assistants
- Clinical Nurse Specialists
- Experienced Hematology & Oncology Health Care Professionals

Accreditation and Disclosure

CE credit will be available for nurses, nurse practitioners and physician assistants.
